ABOUT ME

Passionate about technology, with experience in AI and software development. I stand out for my ability to adapt quickly, learn new technologies, and work collaboratively in multidisciplinary teams to achieve ambitious goals. I am looking for opportunities to further develop my skills and contribute to innovative projects.

EXPERIENCIA LABORAL

NTT DATA — 2025
Student

- Participated in projects within the field of artificial intelligence and computer vision, collaborating in the development of technical solutions.
- Contributed to optimizing application approaches to improve operational efficiency and process quality.
- I had the opportunity to present results and lessons learned in forums with end clients, strengthening my communication and teamwork skills.
- Acquired experience in collaborative teamwork and in a professional environment as a technical consultant.

CERTIFICATIONS

Cloud Computing — 2025
Google

Cibersecurity for remote work — 2025
Google

B2 - First certificate in English — 2020
Cambridge

EDUCATION

Scientific Baccalaureate — 2020-2022
IES La Torreta

Bachelor's in Computer Engineering — 2022-Present
Universidad de Alicante
GPA: 7
